NEWSLETTER 3 17 February 2012

Community Night Wednesday 22 February School Hall 6pm

The evening will start in the hall where we wish to share our vision of the future and how school and parents can work together to attain the best for our students.

We wish to consult with parents how we intend to work on our vision of students being **confident, connected and lifelong learners**. We want to talk about homework and how parents and school can get the best out of students.

Following the consultation will wish to share a meal with students and their families. Hangi food and a sausage sizzle will be available.

To assist with catering we need to know number. Please complete the slip below. We ask that where possible a koha / donation for the hangi. We have suggested \$5 but understand that times are hard for families and leave it to families to donate what they can afford.

Tickets are still available. On the night ticket holders will be provided with meals first.

Sun Hats

We are very impressed how quickly the students have listened to this important message. Approximately 85% of students are wearing sun hats and the rest have learnt to remain in the shade. School can supply sunhats for a fee of \$5.

Scooters and skateboards

As a trial we have organised an area at school for students to use their scooters and skateboards at interval and lunchtimes. We are very conscious of the importance of safety and will be enforcing simple rules like only in the designated area and all travel in the same direction.

If you wish your child to be able to scoot and skate at school please return the slip below.

Remembrance of the 22nd February Earthquake

We are very aware that people have different feelings about what has happened and continues to happen. As a school we will observe a minutes silence at 12.51 on the 22nd. In addition the student council will represent the school at the Gayhurst Bridge "river of flowers" ceremony.

I _____ give permission for _____ to scoot or skate at lunchtime

Return this slip to earn a PB4L reward point
